

Dean's Excellence Fund

The E. J. Ourso College of Business at LSU is the flagship business school for Louisiana. As we move forward, the future of our state and our nation will greatly depend upon the quality of education we provide to future generations of business students. Our goal is to continue to provide foundations of leadership and opportunities for success.

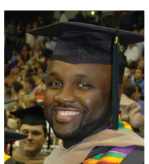

We invite you to help shape the future of the E. J. Ourso College by making an annual gift to the Dean's Excellence Fund. Your gift will have an immediate effect on our future by providing invaluable support to our five growth initiatives and by supplying the means to capitalize on various opportunities.

Purpose

As we strive for national prominence, the E. J. Ourso College relies on the Dean's Excellence Fund for an annual base of private support. Due to constraints in state assistance, and in light of the current economic situation, the support of our valued alumni and friends is crucial in making the E. J. Ourso College a success. Your support ensures the college's programs, faculty, students, and facilities continue to be competitive on a national level.

Gifts at Work

Your gift to the Dean's Excellence Fund is impactful. Gifts can provide support for student international travel stipends, business student organizations, undergraduate scholarships, specialized software, graduate fellowships, and the college's growth initiatives.

Matching Gifts

Many employers sponsor matching gift programs and will match any charitable contributions made by their employees. To find out if your company has a matching gift policy, please visit www.matchinggift.com/lsu and enter your employer's name. If your company is eligible, request a matching gift form from your employer and send it, completed and signed, with your gift. We will do the rest. The impact of your gift may be doubled or possibly tripled! Some companies match gifts made by retirees and/or spouses as well.
